Cumulative Performance for Locally Raised Revenues

The District cumulatively received Ugx 266,737,000 as funds from Locally Raised Revenue out of the approved budget of Ugx 359,998,000, this represents 74% level of performance. All these funds were transferred to the User accounts including Lower Local Governments. Cumulative Performance for Central Government Transfers

The District cumulatively received a total revenue of Ugx 18,359,512,000 out of the approved budget of Ugx 23,747,743,000 as Central Government Transfers. This performed at 77.3%, the over performance was attributed to Conditional Government Transfers at 75.1% due to the fact that funds of General Public Service Pension Arrears (Budgeting) and Salary Arrears were released at 100% in the first quarter. However, there was under Performance in Discretionary Government Transfers at 21% and Other Government Transfers at 3.6% due to the fact that majority of funds from MDAs was not realized except from NUSAF3 (28%) and URF (76%).

Cumulative Performance for Other Government Transfers

Quarter3

The District cumulatively received Ugx 657,841,000 as funds from Other Government Transfers out of the approved budget of Ugx 1,423,158,000, this represents only 46% level of performance. The underperformance was attributed to funds under NUSAF3 which performed at only 28% of its approved budget of Ugx 701,505,000, and funds under FIEFOC, NTDs, UNEB and VODP which were not realised by the end of the Quarter, despite the fact that the IPFs were issued by these entities.

The District cumulatively received Ugx 157,862,000 as funds from external financing out of the approved budget of Ugx 723,019,000, this represents only 22% level of performance. It is likely that these funds will be transferred directly to the user health facility accounts by the Ministry of Health, like it was the case previously after under taking performance assessment for the health facilities.
